I need copies of DWOs and 1900-55's for any that are approved/signed by Adam while he is on-site.

Thanks

I will do that when I revise the DWO.

Leroy:

I noticed that it did not appear that SWS completed the tasks that were approved. Putting up the fence and cleaning/preparing the area for washouts. It appears that the only thing they did was put the hay bales in place for the entire day. Please clarify and correct or we need to discuss.

Thanks

The DWO says 2 laborers and 4 used. Is this correct? We only had 2 laborers on the site on 10/10/14.
